# About Us

RevirzaMed Healthcare Solutions LLC is a premier healthcare solutions provider headquartered in Abu Dhabi, UAE. We specialize in delivering high-quality medical and healthcare products and services to a diverse range of sectors, including wholesalers, clinics, hospitals, pharmacies, industries, hospitality, schools, and medical centers. With a strong reputation for excellence, we have established ourselves as one of the leading medical supplies companies in the UAE and East Africa.

Our expertise spans a comprehensive portfolio of medical supplies, including custom healthcare furniture, veterinary medical equipment, medical devices, X-ray equipment, general consumables, PPE, and dental products. As a full-service healthcare solutions provider, we have successfully executed numerous projects in healthcare solutions, medical equipment, and consumables supply. Our team of over 20 dedicated sales, technical, and application specialists ensures that we deliver tailored, end-to-end solutions to meet the unique needs of our clients.

In addition to our product offerings, we are equipped to manage turnkey projects, providing seamless integration and implementation of healthcare solutions. Our fully operational office and service center underscore our commitment to delivering exceptional support and service.

## Our Commitment

Since our establishment in 2015, RevirzaMed Healthcare Solutions has been dedicated to providing cutting-edge medical solutions to healthcare professionals. Our unwavering focus on quality assurance and customer satisfaction has positioned us as a trusted leader in the industry.

# Specialized Services

We take pride in offering a range of specialized services designed to enhance safety, compliance, and operational efficiency:

- QC/QA for X-Ray Equipment: Ensuring optimal performance and compliance with FANR regulations.
- RSO/RPO Training: Comprehensive training for dental and medical teams on radiation safety protocols.
- Safety Assessments for X-Ray Equipment: Detailed safety evaluations and shielding design for radiology facilities.
- Lead Lining for X-Ray Rooms: Professional installation of lead shielding to ensure safety in radiology environments.
- Lead Aprons and Testing: Supply and rigorous testing of high-quality lead aprons for maximum protection.
- Preventive Maintenance (PPM): Regular maintenance services to keep medical equipment in peak condition, adhering to DOH, MOH, and DHA standards.
- FANR Account Consultation: Expert guidance on FANR registration and account renewal processes.

At RevirzaMed Healthcare Solutions, we are committed to exceeding your expectations by delivering innovative, reliable, and customized healthcare solutions. Trust us to be your partner in meeting all your medical equipment and service needs.

## Vision Statement:

To be the leading and most trusted healthcare solutions provider in the UAE and East Africa, revolutionizing the medical industry through innovative, high-quality products and services that enhance patient care and operational efficiency.

## Mission Statement:

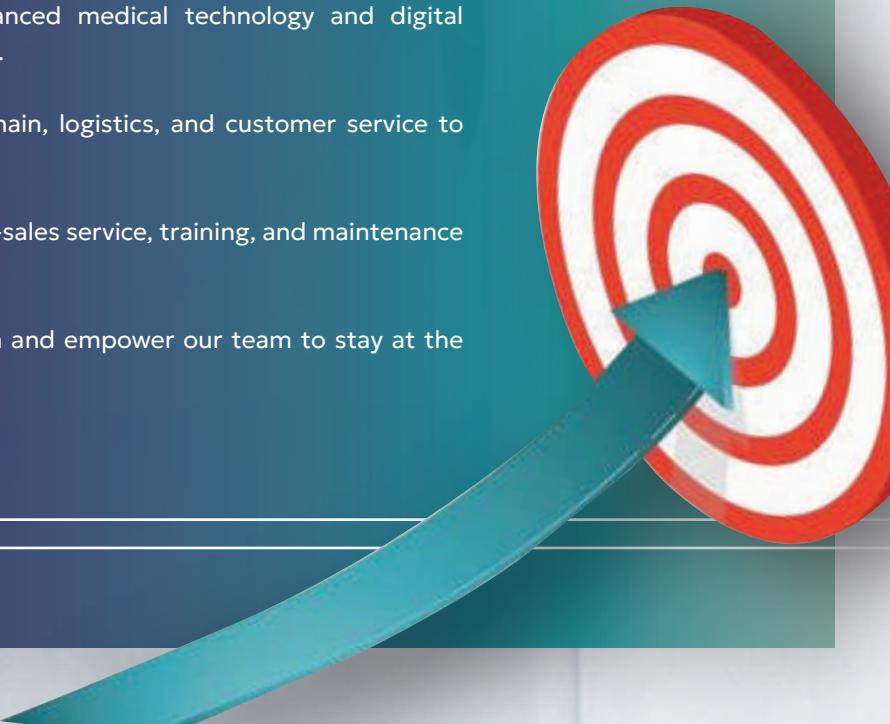

At RevirzaMed Healthcare Solutions LLC, we are dedicated to delivering superior healthcare solutions by providing high-quality medical supplies, equipment, and turnkey services. Our mission is to empower healthcare providers with customized, innovative, and efficient solutions that improve patient outcomes. Through cutting-edge technology, a highly skilled team, and an unwavering commitment to excellence, we ensure seamless integration, implementation, and support for all our clients.

## Core Values:

1. Excellence – We uphold the highest standards in quality, safety, and service delivery.
2. Innovation – We embrace the latest advancements to enhance healthcare solutions.
3. Integrity – We conduct business with transparency, honesty, and professionalism.
4. Customer-Centricity – We prioritize the needs of our clients with tailored, end-to-end solutions.
5. Collaboration – We work closely with partners and stakeholders to drive success.
6. Sustainability – We adopt eco-friendly and responsible business practices in healthcare.

## Strategic Goals:

1. Expansion & Market Growth – Strengthen our presence in the UAE and East Africa through strategic partnerships and innovative healthcare solutions.
2. Technology & Innovation – Invest in advanced medical technology and digital transformation to enhance healthcare efficiency.
3. Operational Excellence – Optimize supply chain, logistics, and customer service to improve reliability and efficiency.
4. Client Satisfaction & Support – Enhance after-sales service, training, and maintenance programs to ensure long-term client success.
5. Workforce Development – Continuously train and empower our team to stay at the forefront of healthcare advancements.
